HENDRIX LOUNGE

Designed for ultimate comfort, the abundant, voluptuous curves of the Hendrix complement its 'bold as love' stability. The performance of this piece must be appreciated up close. Delivering perfectly balanced proportions, the design delivers sound, generous stability and invites time in blissful relaxation.

Deep seating with an ergo filled cushioning gives this piece integrity while uniquely angled wooden legs add a touch of nostalgic charm. Thoughtful and refined, with softly curved arms and a rounded back hinting at yesteryear, it never compromises a single note of style. With this solid, contoured form it looks best as either a 3 or 3.5 seater, the bold silhouette merging well with both mid-century furnishings and contemporary interior design.
