

MORGAN MODULAR LOUNGE

MORGAN MODULAR LOUNGE

Building on the success of an earlier model, the Morgan introduces a high back, thicker seat cushions and a new level of laminate foam for superior ergonomic support. The level of comfort is backed by solid, enduring design – it will look as good years from today as it does here and now. The adaptability of the Morgan is not limited to its settee or modular layout either. Create a fabric finish that is unique to your style. Change the arm placement to ensure efficiency of space. Choose the feet, contemporary metal 'stiletto' foot, brushed silver or black, or wooden peg leg, to step in sync with your space. Now available with removable body covers.
