LOUIS CHAIR

The Louis chair has instant appeal for those who want the best blend of quality, comfort and contemporary design. There's durable frame construction, attention to detail and resilient seat foams, combined with a super web suspension system for supported seating. The Louis can be made up in either leather or fabric and the sturdy swivel stand base is standard in brushed stainless steel, with an option of a black base.

| DIMENSIONS (CM) | WIDTH | DEPTH | HEIGHT |
|-----------------|-------|-------|--------|
| Chair | 71 | 73 | 79 |
| Seat height | | | 45 |
