## FLEETWOOD TABLE

The Fleetwood coffee table embodies a sleek, modern design and just as the brand is known for its timeless style and harmonious blend of elements, its low-lying profile makes it perfect for creating a relaxed atmosphere in any living space. The natural grain of the wood adds warmth and character, while the sturdy construction ensures durability. Fleetwood is both functional and stylish, seamlessly blending with various interior styles.

Solid New Zealand beech slab legs support a solid ply core laminated in 6mm white oak. Choose from our range of stain colours - natural, birch, almond, honey, hickory, chocolate, wenge and black - to suit your decor. Whether you're sipping coffee or hosting friends, the Fleetwood table sets the stage for memorable moments.
