HENLEY LOUNGE

The design of the Henley delivers from-the-past glamour and in-the-now sophistication. This is a transitional piece, designed to sit equally well in a century-old wooden-floored bungalow as a sleek, ultra-modern setting. The English rolled-arm style, wide and accentuated with a slight outward roll, creates the spacious feeling the style is known for. The thick seat cushions are contoured for maximum comfort. Additional elements place the design firmly in the present day. The balanced proportions of the steel base provide an efficient solidity and easy compatibility with other modern pieces. As an alternative option we have created a tall turned leg to further the turn-of-the-century feel.
