## OTTOMAN CUSTOM RANGE

The Kovacs Custom Range comes with a choice of two standard shapes, oblong and square, they can be constructed in fixed or storage and also provide the option of a deep or shallow profile. These ottomans can be adapted for flexibility of style too. Depending on the choice of leg you can customise the height of your ottoman or match it to an existing suite.

DIMENSIONS (CM)	WIDTH	DEPTH	HEIGHT
OT1 Oblong	155	66	42.5
OT2 Oblong shallow	155	65	29
OT4 Square shallow	97	97	29

*Available in fixed or storage.*

*Our wooden legs can be stained in a variety of colours. Please see website for options.*

*Height shown here is furnished height so add the height of your chosen leg for overall height.*
