

HUMPTY

It's not just a well-balanced table or convenient resting place. The Humpty footstool also doubles as an extra seat, making it ideal for those 'last minute arrival' occasions when finding enough seats becomes a challenge. When not required these chairs can be neatly tucked away under the coffee table, saving space and setting the scene. The Humpty can be purchased individually or as a set of four with the table in two sizes.

DIMENSIONS (CM)	WIDTH	DEPTH	HEIGHT
OT9L Humpty <i>Large</i>	57	57	35
Coffee Table <i>Large</i>	116	116	42
OT9S Humpty <i>Small</i>	46	46	35
