BRONTE MODULAR LOUNGE

Take a seat on the hugely comfortable Bronte and enjoy the plush, enveloping support. Put your feet up with a book and drink nearby and you'll never want to leave. In the words of the designer, this is the "ergonomically correct slouch-couch", the perfectly layered foam capable of satisfying even the most discerning.

The modular elements also provide layout flexibility and the construction materials durable integrity through the years. It's all without compromise in style too, with contemporary lines and careful stitching providing a modern look that is aesthetically pleasing to the eye.

Choose from the extensive range of units to create your perfect adaptable layout - you can now also choose a wider arm option.
